OSR No. 1688

DDI-1743-74

MEMORANDUM FOR: Mr. Andrew W. Marshall
Director of Net Assessments
Department of Defense

SUBJECT : Comments from the Office of
Strategic Research on the 19
April Draft of the Executive
Summary for Project 186

1. The 19 April draft of the executive summary of the ground forces study for Project 186 has been reviewed by the Office of Strategic Research. The draft shows substantial improvement as a result of earlier reviews. The attached comments, however, indicate adjustments which we feel are still necessary.

2. A copy of OSR's earlier comments are also provided, to indicate that many of our current comments have been raised before. Other changes have been necessitated by adjustments made between the latest versions.

Deputy Director
Strategic Research
